What Our People say

"You are very welcome to ADD Sligo Intranet. It is great we come to work every day knowing that we are involved in activities that help to save people's lives and make the quality of live better. Team work is the very essences of success in sport or business and by us all working together as a united team we will ensure we are positioned well into the future."  
-NC (Site Director)

"The HR philosophy on site is open door and people should have access to their leadership on an ongoing basis to ensure a constant flow of information. The main purpose of the new intranet site is to facilitate and make it easier for people to get and use information that is important for the work they do in the business."  
-NF (HR Manager)

"The HR philosophy on site is open door and people should have access to their leadership on an ongoing basis to ensure a constant flow of information. The main purpose of the new intranet site is to facilitate and make it easier for people to get and use information that is important for the work they do in the business."  
-NF (New Hire)

ABOUT US

Diagnostic testing is a compass, providing information that helps in the prevention, diagnosis and treatment of a range of health conditions. Abbott's life-changing tests and diagnostic tools put the power of health in the hands of healthcare professionals in all parts of the world. We're empowering smarter medical and economic decision making to help transform the way people manage their health at all stages of life. Abbott's diagnostics business in Sligo is located in the Finiskin Business Park.

ADD Sligo Intranet is for internal use only
